

10/1/18 Voyager Family Email

Dear Voyager Families,

SPOTLIGHTS and REMINDERS:

Congratulations to Silver Strand PTO's ice-cream-eating team, including Eric Bachman, which won MooTime's annual contest last Friday at 92118 Day! They earned \$500 for PTO. Way to GO!

Speaking of your fabulous PTO, please see attached PTO Newsletter and Calendar--download and print to stay on top of all our exciting events!

Please welcome our new teacher in Special Education and Academic Support and Enrichment, Sydney DeTurk!

This week's theme is RESPONSIBILITY. Our new Student Council leaders were responsible for Friday Flagpole last week and will continue to lead us at Flagpole and other school events! How can your students assert themselves as leaders in your home? We will continue to develop ALL students' leadership and helping skills.

Your student will bring home a FEDERAL IMPACT AID card on Wednesday evening and it is vital to our school funding that we receive EACH and EVERY card in return, BY THURSDAY PLEASE. Helpful hint: Set a reminder on your phone to fill out the card Wednesday night and place in your child's backpack :). THANK YOU!

PTO and parent volunteers will be running Running Club this year--please offer support in any way you can if you intend for your child to participate! Because Running Club is scheduled for Wednesday afternoons while our full-time staff are still working, we have limited staff members available to assist. We rely on parent support for this great activity. Thank you to our exceptional volunteers!
